Description

Luxurious and seaworthy bluewater cruiser from France fully equipped for circumnavigation. Her proven concept, the high standard of boatbuilding in the shipyard and the focus on safety, reliability and comfort make AMEL sailing yachts legendary boats for long distance sailing and you meet them in the most remote areas of the world. Very rigid, torsion-free construction with laminated bulkheads. Well equipped, hardly used, firsthand owner's yacht delivered in 2013. 2 cabin-version with owner's cabin aft over the entire beam of the yacht, VIP guest cabin forward and two heads. Deep, well protected cockpit with fixed windscreen and doghouse covering the helm station. All sheets and trimlines can be operated from the cockpit. Interior in American chestnut and light floorboards. Very comprehensive specification including diesel generator, electric mainsail furler, hydraulic gangway, electric davits, bow- and sternthruster and complete sail wardrobe etc.
