Description

Luxurious and seaworthy bluewater cruiser from France fully equipped for circumnavigation. Her proven concept, the high standard of boatbuilding in the shipyard and the focus on safety, reliability and comfort make AMEL sailing yachts legendary vessels for long distance cruising and you meet them in the most remote areas of the world. Very rigid, torsion-free construction using epoxy resins with laminated bulkheads. Deep, well-protected cockpit with fixed doghouse above the helm station. Very well equipped hardly used owner's yacht, that was delivered in 2015. Version: Large owner's cabin in stern over the entire beam of the boat. All sheets, halyards and trim lines can be operated from the cockpit. Interior in mahogany with light floorboards. Extensive specification including electric furling masts, bow and stern thruster, hydraulic gangway, electric davits, diesel generator, air conditioning, TV satellite antenna, complete navigation by B[&]G and FURUNO etc. The yacht is offered fully equipped and ready to sail, with all inventory including crockery, cutlery, spare parts etc.
