Description

Luxurious and seaworthy bluewater cruiser from France fully equipped for circumnavigation. A proven concept, the high standard of boatbuilding in the shipyard in La Rochelle and the focus on safety, reliability and comfort make AMEL sailing yachts legendary vessels for long distance cruising and you meet them in the most remote areas of the world. Very rigid, torsion-free construction using vinylester resins with laminated bulkheads. Deep, well-protected cockpit with fixed doghouse above the helm station. Bright and modern interior with plenty of light and air below decks through numerous large hull ports and coachhouse windows, eight deck hatches and seven portholes. The AMEL 60 offers plenty of space and living space for up to six passengers in a luxurious, spacious owner's cabin aft across the entire beam of the yacht, two symmetrical, spacious forward guest cabins and three heads compartments with a separate shower each. Bright, modern interior and plenty of light and air below decks through numerous large hull and coachhouse windows, portholes and twelve deck hatches. This AMEL 60 is a very young private yacht offered by her first owner for personal reasons. The AMEL 60's extensive standard specification includes an electric carbon fibre furling mast, retractable bow thruster, 17,5 kVA diesel generator, lithium battery bank and much more. In addition, this yacht is equipped with all the options that make long cruises and extended stays on board comfortable: Air ...
