LWL	11.50 m
Beam	3.93 m
Draft	2.40 m
Displacement	8.3 t
Sail area	94 m ²
Engine	VOLVO PENTA D2-40
Power	38 PS/28 KW
Drive	Saildrive with folding propeller
Fresh water	295 L
Fuel	110 L
Holding tank	50 L

Key Facts

- Excellent performance.
- Owner's version with spacious heads compartment.
- Retractable bow thruster.
- Sleek, dynamic lines.
- Performance keel (draught: approx. 2.40 m).
- Exclusive NORTH-Sails sail kit.
- Well-maintained owner's yacht sold by first owner.
- High-quality deck fittings.

Description

An exclusive high-performance cruiser from the renowned design team at judel/vrolijk & co. The Dehler 41 boasts an elegant and agile profile, featuring sleek hull lines, a low freeboard, a streamlined coachroof with distinctive window strips, and a spacious open aft cockpit with twin helm stations. Its modern, efficient hull design—with a plumb bow, wide transom, and tall high-performance rig—delivers outstanding performance. The smart, ergonomic deck layout ensures optimal and safe handling, whether cruising short-handed or racing with a full crew. Built to the highest standards by the German shipyard Dehler Yachtbau GmbH, the Dehler 41 is a true racer at heart, yet it also provides impressive comfort and ample living space below deck for extended stays on board. This Dehler 41 is one of the last yachts built by Dehler Yachtbau in Freienohl before the company was acquired by Hanse Yachts. This sport version features a T-shaped performance keel (draft: approx. 2.40 m), a tall two-spreader rig with Dyform standing rigging and Dyneema halyards, and high-quality, oversized deck fittings from HARKEN and SPINLOCK. A fixed carbon fiber bowsprit for a gennaker and Code 0 was also retrofitted. The technically skilled owner has enhanced the yacht with numerous thoughtful optimizations, both above and below deck. This Dehler 41 is configured in layout variant A1/B1/C2, featuring an owner's cabin with two lockers, a spacious aft head with a separate shower, and a multifunctional aft ...
