- New engine in 2019.
- Incl. road trailer.
- Slim yacht (max beam: 2,49 m).
- Sparkling performance.
- Elegant, sleek lines.

Description

Sporty, scandinavian GRP-classic with sleek, elegant lines by Danish designer Jan Kjærulff. With over 350 units built, the Dynamic 35 is a popular one design-class with fleets in Scandinavia but also on the lakes in southern Germany and Switzerland. Despite her narrow beam of 2,49 m and low freeboard, the yacht offers a friendly, functional interior with berths for up to five passengers. High, efficient and very well adjustable 7/8-fractional SELDEN rig with running backstays. Well maintained, pretty and fully equipped owner's yacht, sailed on fresh water only. New VOLVO PENTA D1-13 diesel installed in 2019. Extensive sail wardrobe from 2020 and 2021. In addition to the engine and sails, significant investment in accessories and technical components since 2021. Equipment for gennaker/code-0 but also for symmetrical spinnaker. This Dynamic 35 was made suitable for single-handed sailing by installing an additional pair of winches and guiding all halyards and trim lines into the cockpit. The yacht comes with a 3.5 t road tandem trailer.
