- Lithium service battery.
- TV satellite antenna.
- Davits and dinghy.
- Teak interior.

Description

Stylish, modern classic with sturdy, lines, flared bow and an characteristic angular pilothouse. The Serious Yachts models stand out pleasantly from the unniform standard design of Dutch steel displacement yachts and are individually tailored to the owner's personal ideas. The Gently 36 Sport HT is the shipyard's smallest model and offers a remarkable amount of living space and comfort in her large cockpit, the bright wheelhouse and the exclusive teak-finished interior. All steel welding work, the carefully executed technical installations and the expertly crafted wooden interior meet the high standards of Dutch boatbuilding. The yacht's most striking features include the hull paintwork in "Cranberry Red", the high-gloss varnished teak windscreen frame and wheelhouse doors and the round lateral portholes.This particular yacht is a very well maintained, private yacht offererd by her first owner. The Gently 36 Sport HT was sailed exclusively on fresh water, spent every winter in indoor storage and underwent regular technical maintenance and service. Extensive specification including bow and stern thruster, diesel generator, davits, electro-hydraulic folding mast to reduce the clearance of the yacht, TV satellite antenna, diesel heating, cockpit bimini and complete RAYMARINE navigation. The yacht comes with a beautiful, hand-built sailing dinghy made by the Italian yard "Colombo Leopoldo". The Gently 36 Sport HT is in indoor storage at Lake Neuchâtel and can be viewed by ...
