Key Facts

- High gloss varnished cherry interior.
- Self tacking jib (new 2019).
- Blue hull.
- Spacious cockpit locker.
- WEBASTO diesel heating.
- Easy and safe handling.

Description

Easy to handle and safe family cruiser with modern hull lines but traditional, angular coachhouse profile. This first self-developed model series, designed by the German naval architect judel/vrolijk & co, started the rapid rise of HanseYachts (at that time called Yachtzentrum Greifswald). The Hanse 311 offers a surprising amount of living space and comfort in a manageable size below 10 metres. Cosy, bright interior in high-gloss varnished cherry, white panels laminated floorboards and blue upholstery. Spacious saloon with two sofas, L-shaped galley and aft cabin with large double berth and locker. The clever combination of performance and safe sailing with ample space below decks won the Hanse 311 second place in the competition "European Yacht of the Year 2002". This Hanse 311 has the new, modified interior layout with forward facing chart table and navigator's seat. Hull in blue gelcoat, teak in cockpit and large port cockpit locker with additional access door from the heads compartment. The yacht is equipped with a self-tacking jib, but also has genoa tracks and sheeting points. The Hanse 311 is moored here in the Baltic Bay-marina in Laboe and can be viewed any time upon appointment.

Rig/Sails

- Deck-stepped 9/10 fractional SPARCRAFT mast
- Two sets of aft-swept spreaders
- Adjustable backstay
- Headsail furling system Facnor
- Mainsail approx. 28 m² with two reefs
