- "Moody One Level Living-concept".
- Bow thruster and stern thruster.
- Three cabins, two heads.
- Diesel generator 6 kw.
- Two rudder blades.
- Mahogany interior.
- Washer/Dryer.

Description

Luxurious, comfortable Decksaloon-cruiser built by Moody Boats/Hanseachts in Greifswald. With her distinctive design, a characteristic deck profile and the "Moody One Level Living-Concept" the Moody DS 45 was miles ahead of her competition when she was introduced in 2006. The innovative deck layout with decksaloon and cockpit merging into one generous living space and a 360° panorama through large front and side windows and the sliding door aft create a level of comfort that normally can only be found on big motor yachts or multihulls. The Moody DS 45 features a modern hull with wide stern and vertical bow, efficient appendices and a high, powerful rig. She offers outstanding performance unusual for such a spacious and comfortable cruising yacht. Delivered in 2012 this Moody DS 45 had a major refit in 2018. White hull with grey water line, mahogany interior and 3 cabin layout with two heads compartments (Moody DS 45 layout: A2/B1/C1/D2). Complete specification incl. retractable bow and stern thruster, diesel generator 6 kw, washing machine, dishwasher, hot water heating system, inverter etc.
