Key Facts

- Fixed windscreen in front of cockpit
- Handy, agile cruising yacht.
- Finest Swedish boatbuilding.
- NAJAD 331 with wheel steering.
- Sturdy Scandinavian mahogany interior.
- Three electric winches (new 2021).
- Furling boom (new 2021).
- Teak deck throughout.

Description

Exclusive, manageable, solid cruiser from the renowned quality yard NAJAD on the traditional boatbuilding island of Orust in the western Swedish archipelago. The NAJAD 331 is a "pocket ocean cruiser", a yacht that is remarkably seaworthy and reliable for its compact size. Nevertheless, it sails swiftly and nimbly and is easy and safe to manoeuvre. Well-protected aft cockpit with high, comfortable coaming and fixed windscreen. Thanks to her narrow hull (maximum beam is only 3.26 m), the NAJAD 331 fits into virtually any berth in the Baltic Sea. Functional, comfortable and welcoming interior and high-quality, solid joinery in satin-varnished African mahogany with numerous lovingly crafted details and abundant solid wood in frames, trims and profiles. This NAJAD 331 is a comprehensively equipped owner's yacht from second ownership in the version with wheel steering. The current owner had the yacht fitted in 2021 with a HiLow-Reefer furling boom (incl. new mainsail from ELVSTRÖM and a new, stronger kicker) and three electric ANDERSEN winches to increase single-handed capability and cruising comfort. Departing from the standard deck layout, one of these winches is a cabin top winch behind the windscreen. Thus, all manoeuvres (including hoisting, reefing and lowering sails) can be performed without leaving the cockpit. The NAJAD 331 is lying on the Kiel Fjord, can be viewed at any time by appointment and is available at short notice.

Rig/Sails

- Deck-stepped, 9/10 rigged SELDEN aluminium mast
- Two pairs of swept spreaders
- Furling boom "HiLow-Reefer" (new 2021)
- Reinforced kicker JOHN-Mast (new 2021)
- Genoa furling system FURLEX 200s
- Manual backstay tensioner
