Description

Sturdy, reliable centercockpit-cruiser built by the quality shipyard Najadvarvet AB on the boatbuilder's island of Orust in the western swedish archipelago. With her deep center cockpit with high coaming and protected by a fixed windscreen, the NAJAD 360 is a very safe and seaworthy yacht. 2 cabin layout with double berth in the aft cabin and a an exclusive, very well finished mahogany interior in the best Scandinavian boatbuilder's tradition. Moderate long keel with shaft drive, deep skeg in front of the rudder blade and a high ballast ratio. Slim yacht with a maximum beam of only 3,40 m. The NAJAD 360 has an individual approval by Germanischer Lloyd (GL). Well-maintained and fully equipped private yacht offered by her second owner. Since 1991 she has spent every winter in indoor storage and has received continuous care and technical maintenance. Numerous investments in recent years: Sails, teak deck, bow thruster, batteries etc. have been renewed. The standing rigging was replaced in 2018. The NAJAD 360 is moored here in the Baltic Bay Marina on the Kiel Fjord and can be viewed at any time upon appointment.
