- Diesel generator and inverter.
- Removable cutter stay.
- Six electric winches.
- Airconditioning and diesel heating.
- European Yacht of the Year 2003.
- BESENZONI telescopic davits.
- Watermaker.

Description

Luxurious, seaworthy and fast centercock yacht built by the Swedish yard Najadvarvet AB on the island of Orust. The NAJAD 511 combines traditional, high-quality boat building with modern, efficient yacht design by the German dearchitect judel/vrolijk & co. Perfectly suited for long distance sailing in all conditions, the NAJAD 511 can be handled easily and safely by a small crew. The fixed windscreen and the secure, deep center cockpit provide excellent protection in uncomfortable conditions, and all sheets and trim lines are lead back onto the winch consoles at the helm station. Beautiful, elegant and sleek lines and exclusive, traditional mahogany interior. The NAJAD 511 was awarded the title "European Yacht of the Year 2003". This NAJAD is a second-hand owner's yacht, fully equipped for bluewater sailing. 2 cabin layout with luxurious owner's cabin aft over the entire beam of the yacht and spacious forward cabin with wide berth and ample storage space. Comprehensive specification incl. diesel generator, air conditioning, 2 x EBERSPÄCHER diesel heating, furling mast, removable cutter stay, six electric winches etc.
