- Three cabins, two heads.
- Electric furling mast.
- Inner helm station.
- New navigation electronics.
- Bow- and stern thrusters.
- Diesel generator.
- Electric davits.

## Description

The classic motorsailor: Finnish shipyard Siltala Yachts Oy dominated this niche segment of the yacht market for decades with the Nauticat model range. The Nauticat 44 is a sturdy, cruiser for long voyages and extended stays on board. Seaworthy, safe ketch-rigged long keel yacht with strong YANMAR 160 hp engine, reliable shaft drive and well protected propeller. Bright, friendly deckhouse with inside steering position and raised aft deck with cockpit and outside helm station. Traditional interior in satin-finished teak with lots of solid wood in moldings and frames. Spacious, luxurious full-beam owner's cabin aft with wide island double berth. This Nauticat 44 is a fully equipped yacht offered by her second owner. Upon order, virtually all boxes on the option pricelist were ticked: electric furling mast, electric genoa furling system, electric winches, bow and stern thrusters, electric stainless steel davits, diesel generator, washing machine, dishwasher, even a central vacuum cleaning system - everything you could wish for is on board. The complete RAYMARINE navigation system incl. satellite TV-antenna was replaced in winter 2021/2022. The Nauticat 44 is currently in indoor storage on the German coast of the Baltic Sea and can be visited and inspected any time upon appointment.

## Rig/Sails

- Ketch-rigged motorsailor
- Top-rigged electric SELDEN furling mast with two sets of spreaders stepped on the forward coachhouse roof

## Technical equipment

- YANMAR 4LHA-HTP 4 cylinder turbo-diesel engine 160 hp/118 KW
- Engine hours (as of May 2023): 1.246 h
- Shaft drive with 3 blade fixed propeller
- Two stainless steel diesel tanks (total capacity: approx. 950 l)
- Bow thruster (new control 2022)
- Stern thruster (new control 2022)
- Hydraulic steering system with two wheels
- Diesel generator WESTERBEKE 6.0BTDA 6 KW
- 230 V shore power connection with charging cable
- Battery charger MASTERVOLT Mass 12 V/80 A
- Inverter MASTERVOLT Sine 12 V/230 V/1.200 W
- 3 x AGM service battery 12 V/220 Ah
- Starter battery 12 V
- Diesel heater WEBASTO Air Top AT5000D
- Engine heater Aurora 6 KW
- Electric windscreen wipers
- Hot water boiler ISOTEMP 50 l
- Two new fresh water pressure water pumps (new 2022)
- 2 x electric toilet with fresh water flushing
- 2 x stainless steel holding tank approx. 90 l with deck connection and sea discharge
- Washing machine SOBA Babynova 1150
- Central vacuum cleaning system DOMETIC

## Navigation/Electronics

- All RAYMARINE navigation equipment new in 2022
- Instruments at outside helm station:
  - RAYMARINE i50 log
  - RAYMARINE i50 echo sounder
  - RAYMARINE i60 wind
  - Chartplotter RAYMARINE Axiom Pro 9s
  - Autopilot control unit RAYMARINE p70
  - Compass
- Instruments at inner helm station;
  - RAYMARINE i70 instrument display
  - Chartplotter RAYMARINE Axiom Pro 12s
  - Autopilot control unit RAYMARINE p70
- Radar antenna RAYMARINE Quantum Q24D at mast
- AIS Class B-transponder RAYMARINE AIS700
- GPS-receiver RAYMARINE
- VHF-radio RAYMARINE Ray53
- Autopilot RAYMARINE EV400 Sail with radio remote control S100
- Navtex FURUNO NX-300
- Radio/CD/MP3/DVD-player with speakers in saloon and in cockpit
- TV SONY Bravia in decksaloon
- Satellite TV-antenna RAYMARINE 37STV in mast (new 2022)
