- Diesel heating and airconditioning.
- Bow and stern anchor windlass.
- Induction stove and microwave/oven.
- "Nimbus Sidewalk"-concept.
- Bow and stern thruster.
- Very good condition.

## Description

Luxurious and modern coupe-cruiser built by the Swedish quality yard Nimbus Boats in Maristad on Lake Vänern. With two cabins, a heads compartment with separate shower and the unusually bright and cosy saloon, the Nimbus 365 Coupé offers an amazing level of comfort and space for a yacht of such easy to handle size. The large frameless front and side windows and the wide sliding door aft create a virtually undisturbed 360° panorama in the saloon. Additional light is provided by the large electric sunroof. Exclusive and well finished interior in Kaya mahogany. Outside the "Nimbus Sidewalk" concept allows safe movement from foredeck to the cockpit along a wide, unobstructed starboard running deck with high bullwark and stainless steel railing. Thus, safe and easy maneuvers in port or in locks are guaranteed. A side exit door gives direct access from the helm station to the starboard side deck. This Nimbus 365 Coupé is a very young, fully equipped yacht offered by her first owner. Year of construction is 2020 but first launch was in 2021. The powerful VOLVO PENTA D6-440 six-cylinder inboard diesel provides plenty of propulsion (top speed: approx. 28 knots), but also offers economical, smooth cruising at comfortable revolutions. Complete specification incl. bow and stern thruster, bow and stern anchor windlass, diesel heating and air conditioning, inverter, extensive SIMRAD navigation, etc. The Nimbus 365 Coupé is located in Rostock, can be viewed any time by appointment and is ...

## Technical Equipment
