## Key Facts

- Scandinavian boatbuilder's quality.
- Traditional mahogany interior.
- Very good condition.
- Teakdeck all over.
- Young, exclusive sail inventory.
- Very slim yacht (beam: 3,18 m only).
- Elegant, classic lines.
- Bowthruster.

## Description

Elegant Scandinavian cruiser with timeless lines built by Nordborg Baadebyggeri A/S on the island of Als in the South of Denmark. Her low freeboard, flat coachhouse profile and long overhangs give the Nordborg 40 an elegant, sleek and classic profile. Her exceptionally slim hull (maximum beam: 3,18 m only), the high, efficient rig with standing rigging in rod, the slim, efficient appendices and a high ballast ratio of almost 40 % make for excellent performance, especially upwind. Traditional, beautifully finished mahogany interior with floorboards in teak with maple strips and ceiling panels in white varnished ash. High-quality, generously dimensioned deck fittings as well as the arrangement of mainsheet, traveller and genoa winches directly within the helmsman's reach make it easy for small crews to safely manoeuvre the yacht. This Nordborg 40 is a very well maintained and fully-equipped yacht offered by her first owner. Every year in indoor winter storage and continuous care and technical maintenance. Exceptionally young and high quality sail wardrobe (mainsail and jib ELVSTRÖM EPEX new 2022). Teak deck everywhere, bow thruster, complete RAYMARINE navigation and stainless steel anchor. Special highlights of this yacht are the retractable stainless steel bowsprit for the gennaker, the beautiful TCE steering wheel in cold moulded mahogany and maple veneers, and the interior in specially selected, light-coloured Khaya mahogany. The Nordborg 40 is located on the Bay of Lübeck ...

## Rig/Sails

- Keel stepped, 9/10 fractional JOHN-mast
- Two sets of aft-swept spreaders
- Standing rigging in rod
- Genoa furling system FURLEX 204s
- Telescopic pole with bracket on boom (new 2018)
