- Traditional mahogany interior.
- Elegant, classic design.
- Bowthruster.
- U-shaped settee aft.
- Hull in grey metallic.
- Teakdeck all over.
- Swim platform.

Description

Exclusive, elegant Dutch daycruiser with classic lines and lobster stern. Traditional boatbuilding with beautiful details, lots of high-gloss varnished mahogany and immaculate teak decks by Prins van Oranje/Rapsody Jachtbouw B.V. from Heeg in Friesland. The steep stem, the flared bow and the angular windscreen with mahogany frame give the Rapsody R30 a distinctive and ship-like profile. With her spacious cockpit and generous seating area aft, the Rapsody R30 offers plenty of living space on deck for crew and guests. The versatile yacht can also be used as a weekender. In the cosy cabin in high-gloss varnished mahogany with white panelling, two people can sleep comfortably and the interior can be extended even further with a sprayhood and cockpit cover. This Rapsody R30 is a beautiful, well-maintained and fully equipped private owner's yacht. Every year in indoor winter storage. Hull in grey metallic with white waterline and teak deck all over. With her VOLVO PENTA D6-310 six-cylinder with sterndrive and Duoprops, the yacht reaches top speeds exceeding 30 knots and runs a comfortable cruise at low revolutions. Tight harbour manoeuvres are made easy by a bow thruster. The Rapsody R30 is moored on the German coast of the Baltic Sea and can be viewed anytime by appointment.

Deck

- Teak deck on running decks, foredeck, swim platform and in cockpit
