- Draft: approx. 1.03 m.
- Single-handed layout.
- LOMBARDINI inboard diesel.
- Railing with railing gates.
- Furling boom.
- Teak deck.

## Description

An exclusive daysailer for a relaxed spin in the afternoon and a safe, seaworthy touring boat for extended weekend cruises - the Saffier 8.0 Royale does it all. The boat is designed for single-handed sailing and easy handling. The clever decklayout and her easy to handle size all guarantee safe sailing without crew. Nevertheless the large cockpit provides space for guests and the comfortable, high coaming and the sprayhood offer good protection in uncomfortable conditions. Below decks, the Saffier 8.0 Royale is surprisingly spacious and has everything you need for an extended weekend trip: Double berth forward, two single berths aft and a galley with gas cooker, sink and fridge and even a marine toilet. This Saffier 8.0

Royale is offered by her third owner and has been sailed very little. Blue hull, draft: approx. 1,03 m, teak deck, furling boom and optional symmetrical spinnaker or code-0 on a furling system. Extensively equipped daysailer with Lombardini inboard diesel engine, electric halyard winch, sprayhood and cockpit cover, teak rubbing strake, diesel heating and RAYMARINE navigation incl. chart plotter and VHF. The bottom paint has been removed and rebuilt incl. epoxy primer in April 2024. The daysailer is sold for personal reasons and is available for immediate delivery.

## Sails/Rigging

- Deck-stepped, 7/8-fractional aluminium mast by Neut-Mast
