Description

Exclusive daysailer for a relaxed spin in the afternoon or short cruises. The Saffier SC 8m Cabin does it all. The decklayout is designed for single-handed sailing. The clever decklayout, the selftacking jib and her easy to handle size all guarantee safe sailing without crew. Nevertheless the large cockpit provides space for guests and the comfortable, high coaming and the sprayhood offers good protection in uncomfortable conditions. Below decks, the Saffier SC 8m Cabin is surprisingly spacious and has everything you need for an extended weekend trip: Double berth forward, two single berths aft and a galley block with cooker and sink. This Saffier SC 8m Cabin is offered by her first owner and is very well maintained. Hull in dark-blue, draft: approx. 1.03 m and ESTHEC deck. The Daysailer is offered for personal reasons and is available for immediate delivery.
