- Performance-keel (draft: approx. 1,70 m).
- Red hull with black decoration.
- Excellent performance.
- Easy handling.
- Interior with separate toilet space.
- Electric rewind winches.
- Carbon mast.
- Incl. trailer.

Description

Modern, elegant and fast daysailer built by the quality yard Saffier Maritiem/Saffier Yachts in Ijmuiden on the Dutch coast of the North Sea. The Saffier SE 33 UD offers sparkling fun on the water thanks to her excellent performance and childproof easy handling. All halyards, sheets and control lines are led back to the two winches in front of the helmstations. That in combination with the self-tacking jib make the boat suitable for single-handed sailing. Nevertheless, the spacious cockpit offers plenty of space to entertain passengers and gives free access to the aft sun deck. A YANMAR 2 cylinder inboard diesel takes you home if the wind dies and makes port maneuvers easy. Fully equipped Saffier SE 33 UD with L-shaped performance lead keel (draft: approx. 1,70 m, ballast: approx. 1,1 t). Red hull (RAL 3000) with black decoration and ESTHEC deck in "Champagne" with white stripes. The daysailer was launched for the first time in August 2021 and has hardly been used since (only 25 engine hours). Interior with hull windows and separated toilet room to starboard aft. Complete specification with SELDEN carbon fiber mast, electric rewind winches, RAYMARINE navigation incl. chartplotter, instruments, VHF and autopilot, bimini, fridge in cockpit, cockpit cushions and much more. A PEGA tandem road trailer comes with the boat.

Rig/Sails

- Deck stepped, 9/10 fractional, clear coated SELDEN carbon fiber mast
- Two sets of aft-swept spreaders
- Black painted SELDEN aluminum boom with 1 line reefing system (two reefs)
- Black painted SELDEN kicker
