Rig	Sloop
Cabins	1
Berths	6

Dimensions & Material

LOA	10.00 m
LWL	8.50 m
Beam	3.00 m
Draft	1.75 m
Displacement	3 t
Sail area	62 m²
Engine	BUKH DV10
Power	10 PS/7 KW
Drive	Saildrive mit Faltpropeller
Fresh water	50 L
Fuel	25 L

Key Facts

- Fast one design class racer.
- Cruising-compatible interior.
- Numerous investments since 2015.
- Bottom paint totally rebuilt in 2015.
- Six berths.

Description

Successful, popular one design class built by the Danish quality yard X-Yachts in Hardersleben. More than 600 units have been built between 1985 and 2001. She races in big fleets at Northern European regattas. The X-99 has two sides: A fast machine on the race course but also a comfortable cruiser, that is stiff and easy to sail by a small crew. Surprising living space and comfort below decks with enclosed forward cabin, six bunks (two additional bunks aft on hull sides) and teak interior. Numerous investments in 2015 and 2016, e.g. bottom paint completely rebuilt, new saildrive seal, mast collar and coachhouse windows new, new padding etc. The first photo is a brochure picture of a sister ship.
