VAT status	EU-VAT paid
Material	GRP
Rig	Sloop
Cabins	2
Berths	6

Dimensions & Material

LOA	11.35 m
LWL	10.25 m
Beam	3.60 m
Draft	1.99 m
Displacement	7.5 t
Sail area	73 m ²
Engine	VOLVO PENTA D2-55
Power	55 PS/40 KW
Drive	Saildrive with folding propeller
Fresh water	425 L
Fuel	270 L
Holding tank	50 L

Key Facts

- Excellent sailing performance.
- Scandinavian boatbuilding quality.
- Complete RAYMARINE navigation.
- Lithium service battery.
- Beautiful, traditional mahogany interior.
- Hallberg-Rassy with aft cockpit.
- Inverter 1.200 W.
- Bow thruster.

Description

Sturdy, seaworthy cruiser built by the Swedish quality yard Hallberg-Rassy on the boatbuilder's island of Orust. The Hallberg-Rassy 372 is a fast, stiff sailing yacht that is easy to steer and safe to sail in all conditions. The deep cockpit with fixed windshield and high coaming offers good protection and wide, unobstructed running decks allow safe movement even in rough conditions. Ample storage space throughout the yacht in lockers, drawers and compartments. The quality of boatbuilding craftsmanship at the traditional Hallberg-Rassy shipyard on the island of Orust in the Swedish western archipelago sets standards: the GRP workmanship, the interior finish and the quality of technical installations are immaculate. The Hallberg-Rassy 372 was voted "European Yacht of the Year 2010". Well-maintained, lightly used, and fully equipped owner's yacht sold by her second owner. Stored indoors every winter with ongoing care and professional technical servicing. Full specification including bow thruster, inverter, stern mooring gear, and extensive RAYMARINE navigation package with radar, AIS, and VHF. The service battery bank has been upgraded to three MASTERVOLT LiFe 180 Ah lithium batteries. The Hallberg-Rassy 372 is located on the Kiel Fjord, can be viewed by appointment at any time, and is available immediately.

Rig/Sails

- Deck-stepped 9/10 fractional rig with silver anodized SELDEN aluminium mast
- Three pairs of aft-swept spreaders
- FURLEX 300TD headsail furler with drum recessed below deck
