- 5 cabin layout with 3 heads.
- New sails in 2019.
- Engine-upgrade YANMAR 110 hp.
- 4 solar panels.
- Bowthruster.

Description

With the models Jeanneau 53 and Jeanneau 57, the French shipyard introduced the new Jeanneau Yachts line in 2009. Stylish design, a free, unobstructed deck and a huge cockpit made these yachts successful volume models beyond 50 feet, which appealed to private owners as well as professional charter companies. A striking appearance from the outside with a flat coachhouse profile, the characteristic windows and the large panoramic windows forward, the Jeanneau 53 offers a generous interior with a lot of comfort and space for a crew of up to ten persons in two cabins fore and aft and a lateral cabin to starboard.
