- Excellent performance.
- Beautiful classic lines.
- Spacious cockpit.
- Powerful diesel engine YANMAR 370 hp.
- Exclusive boatbuilder's quality.
- Teakdeck everywhere.
- Bowthruster.

## Description

Exclusive Daycruiser in elegant retro style built by the German yard Marina Brodersby. The Kiel Classic models are fast, agile and seaworthy yachts with a long range. The hull with a deep V-frame, raised foredeck and steep bow provide excellent performance in rough conditions and the powerful engine offers plenty of fun on the water. With her sleek lines, the angular windscreen and many beautifully finished details, the Kiel Classic 28 Alpha is a head turner for any enthusiast that loves classic yacht design. Even if she is conceived as a daycruiser and offers plenty of space on deck, the elegant, functional interior provides ample comfort for extended weekend trips. Fully equipped, well maintained owner's yacht. Grey hull with red decoration, transom in highgloss varnished mahogany and teakdeck everywhere with varnished details. The Kiel Classic 28 Alpha has had very little use (approx. 457 engine hours only). First launch in 2011.

## Technical equipment
