- "Moody One Level Living-concept".
- Bow thruster and stern thruster.
- Three cabins, two heads.
- "American Cherry" interior.
- Electric furling mast.
- Flexiteek decking.
- Electric winches.

## Description

Luxurious, comfortable deck saloon cruiser built by Moody Boats/Hanseycharts in Greifswald. With her distinctive design, the characteristic deck house profile and the "Moody One Level Living concept", the Moody DS 45 was miles ahead of her competition when she was introduced in 2006. The innovative deck layout with decksaloon and cockpit merging into one generous living space and a 360° panorama through large front and side windows and the sliding door aft create a level of comfort that normally can only be found on big motor yachts or multihulls. The Moody DS 45 features a modern hull with wide stern and vertical bow, efficient appendices and a high, powerful rig. She offers outstanding performance unusual for such a spacious and comfortable cruising yacht. This Moody DS 45 was handed over in 2019 and has been sailed almost exclusively in the Baltic Sea. White hull with grey water line, "American Cherry" interior and 3 cabin layout with two heads compartments (Moody DS 45 layout: A1/B1/C1/D2). Full specification including retractable bow and stern thrusters, electric furling mast, electric winches, diesel heater, TV, three VOLVO PENTA throttle levers and inverter. Extensive RAYMARINE navigation with three plotters, radar, AIS etc. Every year in indoor winter storage and continuous technical maintenance. The yacht is in very good condition and there is no maintenance backlog. The Moody DS 45 is moored here with us in Laboe in the Baltic Bay-marina and can be inspected anytime ...

## Rigging/Sails

- Deck-stepped, 9/10 fractional electric SELDEN furling mast
- Two sets of aft-swept spreaders
- FURLEX 300TD genoa furling system with drum below decks
- Self-tacking jib track integrated in fore deck
- SELDEN telescopic whisker pole
