Key Facts

- Seagoing, stable Cruiser from NAJAD
- Teak refit 2016
- Extensive technical equipment
- Larger engine YANMAR 100 hp
- Deep, secure cockpit
- Water Maker

Description

Solid Center Cockpit Cruiser from Najadvarvet AB. Exclusive, expensive Craftsmanship of traditional boatbuilding at Orust in the West Swedish archipelago. The NAJAD 361 is a handy family boat with a spacious aft cabin and a protected, deep center cockpit. All sheets, halyards and lines are led out into the cockpit, making the yacht single-handed or operated by a small crew. The NAJAD 361 is a very stiff, seagoing yacht which can stay a lot of wind (lead keel weighing approximately 3,200 kg ballast ratio: about 39%). High quality and solid mahogany expansion in the best

Scandinavian boat-building traditions with many lovingly crafted details and plenty of solid wood. This NAJAD 361 1998 got in exchange a greater YANMAR 100 HP machine with folding propeller and rope cutter on the shaft. Extensive technical equipment including watermaker and solar panel. The teakdeck just got a refit. The yacht is sold with Pütt un Pann and is available immediately.

Rigging/Sails

- Standing on deck, top rigged SELDEN mast with two spreaders
- FURLEX genoa furler
