- Numerous investments since 2009.
- Professional Teak Deck Refit 2021.
- Stainless steel antenna mast at the rear
- Bow thruster (new 2016).
- New mainsail 2022.

## Description

Solid, sturdy centre cockpit cruiser from the Swedish quality shipyard Najadvarvet on the boatbuilding island of Orust. The NAJAD 390 has a very elegant profile due to her flush deck and is a very safe and seaworthy cruising yacht with the deep centre cockpit protected by a fixed windscreen. 2 cabin layout with double berth in the aft cabin, separate shower to port in the forecabin and a solid, lovingly finished mahogany interior in the best Scandinavian boatbuilding tradition. The NAJAD 390 has a Germanischer Lloyd (GL) type approval. Well maintained and extensively equipped owner's yacht. Every winter in indoor storage, ongoing care and technical maintenance. Numerous investments in recent years: Chart plotter, radar antenna, sails, charger, charge regulator, alternator, VHF radio, electric toilet, replacement of the complete standing and running rigging, new rudder blade and replacement of all seacocks, LED navigation lights, etc. In 2010, the underwater hull was rebuilt with six layers of International Gelshield epoxy primer and the teak deck underwent a professional refit in 2021.

## Rig/Sail

- On deck top rigged SELDEN mast
- Two pairs of spreaders
- Removable cutter stay with Pelikan quick adjuster
- Manual backstay tensioner
- Spinnaker pole
- Running rigging new 2016
