- Unobstructed 360° panorama in saloon.
- Diefen generator 8 kVA.
- Blue hull.
- "Nimbus Sidewalk"-concept.
- Bow and stern thruster.
- TV satellite antenna.
- Yacht controller.

Description

Luxurious and modern coupe-cruiser built by the Swedish quality yard Nimbus Boats in Maristad on Lake Vänern. In three cabins, two heads and the unusually bright and cosy saloon, the Nimbus 405 Coupé offers an amazing level of comfort and space for a yacht of such easy to handle size.

The large frameless front and side windows and a wide sliding door aft create a virtually undisturbed 360° panorama in the saloon. Additional light comes through the large electric sunroof. Exclusive and well finished interior in Kaya mahogany. On deck, the "Nimbus Sidewalk" concept allows safe movement from foredeck to the spacious cockpit along a wide, unobstructed starboard running deck with high bullwark and stainless steel railing. Thus, safe and easy maneuvers in port or locks are guaranteed. A side exit door gives direct access from the helm station to the starboard side deck. This Nimbus 405 Coupé is a young, well-maintained owner's yacht built in 2014 sold by her second owner. Extensive specification incl. diesel generator, bow and stern thruster, diesel heating, yacht controller (radio remote control for engines and both thrusters), inverter, TV with electric lift and satellite antenna etc. Blue hull, teak deck on running decks, bathing platform and inside cockpit. The yacht also includes a hydraulic OPACMARE gangway, which is currently dismantled but will be delivered with the yacht. The Nimbus 405 Coupé has rarely been used and underwent an extensive refit at a Nimbus dealer in the ...

Technical Equipment

- 2 x VOLVO PENTA D4-300 4 cylinder turbo-diesel 2 x 300 hp/221 kw
