- Spacious, luxurious owner's cabin aft.
- Bright "real" decksaloon.
- Custom couple-layout.
- Bow and stern thruster.
- Washer/dryer.
- Furling mast.
- Satellite TV.

Description

Comfortable and very seaworthy deck salon yacht built by the Danish quality yard Nordship Yachts in Kolding. The Nordship 380 DS offers plenty of comfort on and below decks in an easy to handle size. Bright decksaloon with raised saloon floor (360° panorama when seated in the dinette) and forward facing chart table with navigator's seat. The unusual interior concept of the Nordship 380 DS combines the deck saloon with the open forward galley and the additional "lounge" in the passage to the aft cabin, creating a large and airy living space. Fully equipped and very well built Scandinavian sailing yacht for long cruises. Stiff, solid anti torsion structure with a strongback of galvanised steel to absorb the forces of rig and keel. Well finished satin varnished mahogany interior with teak floorboards and ample storage in lockers, drawers and compartments throughout the vessel. This Nordship 380 DS is a virtually new and fully equipped first hand owner's yacht. The yacht was delivered in August 2021, is in indoor winter storage every year and receives continuous technical maintenance. Custom layout for one couple with a large owner's cabin aft across the full beam of the yacht, large heads compartment with separate shower and spacious sail locker in forepeak instead of a second cabin. Specification includes furling mast, bow and stern thrusters, Flexiteek deck, electric winch, EBERSPÄCHER diesel heating, washer dryer, inverter etc.

Rigging/Sails

- Deck stepped, 9/10 fractional SELDEN furling mast
