Description

Exclusive, elegant, Dutch daycruiser with classic lines. Traditional boat building with beautiful details, a lot of high gloss varnished mahogany and immaculate teak deck by Prins van Oranje from Heeg in Friesland. The steep stem, raised forward hull sides and angular windshield with mahogany frame give the Rapsody 29 a distinctive and ship-like profile. With her spacious cockpit with fixed windscreen, and the generous seating area aft, the Rapsody 29 OC-FF offers ample living space on deck for crew and guests. The versatile yacht can also be used as a weekender. In the cosy interior ("Klassiek warm"-finish in mahogany with white ceiling paneling) two people can sleep comfortably. When cruising sprayhood and cockpit tent expand the interior. This Rapsody 29 OC-FF is a well-maintained, fully equipped and continuously serviced owner's vessel. Blue hull with white water line and teak deck all over. In 2017 the complete teak deck was redone. With her VOLKSWAGEN Marine TDI 120.5 5 cylinder turbodiesel the yacht reaches a top speed of about 15 knots. Port maneuvers are made easy by means of a bow thruster.
