- Single-handed layout.
- Beautiful, classic lines.
- Electric winch.
- YANMAR 14 PS inboard diesel.
- Wheel steering version.
- EPEX sails new in 2020.
- Teak deck.

Description

The Saffier SE 26 built by Saffier Maritiem in the Netherlands is an agile and beautiful daysailer with classic lines designed for easy handling and single-handed sailing. Her ergonomic deck layout and manageable size ensure relaxed and safe sailing without a crew. The self-tacking jib and all spreaders, sheets and halyards are operated from two winch platforms directly in front of the helm station. Despite being designed for single-handed sailing, the Saffier SE 26 offers plenty of room for guests in her spacious cockpit. A comfortable high coaming and sprayhood offer protection in rough conditions. The YANMAR 14hp inboard diesel is unusual for a boat this size and gets you home if the wind dies in the evening or makes port manoeuvres easy. This Saffier SE 26 is a well maintained yacht offered by her second owner. Every year in indoor winter storage and continuous maintenance and technical service. Hull in "Midnight Blue", performance keel with a draft of 1,30 m and teak decks. Full specification with electric winch for halyard, gennaker, white painted rig, marine toilet, RAYMARINE navigation incl. chart plotter, VHF etc. Version with pedestal and steering wheel. ELVSTRÖM EPEX sails new in 2020. The daysailer is offered for personal reasons and is available for immediate delivery.

Sails/Rigging

- Deck-stepped, 9/10 fractional mast by Neut-Mast
- One set of aft-swept spreaders
