- White hull with black stripes.
- Electric HARKEN winches.
- Easy handling.
- Comprehensive B&G-navigation.
- Excellent performance.
- ESTHEC deck.
- Carbon mast.

Description

Modern, elegant and fast daysailer built by Saffier Maritiem in Ijmuiden on the Dutch coast of the North Sea. The Saffier SE 27 Leisure offers sparkling fun on the water thanks to her excellent performance and childproof easy handling. All halyards, sheets and control lines are led back to the two winches in front of the steering wheel. That in combination with the self-tacking jib make the boat suitable for single-handed sailing. Nevertheless, the spacious cockpit offers plenty of space to entertain passengers and gives free access to the aft sun deck. A TORQEEDO 4.0 Pod electric drive takes you home if the wind dies on you and makes port maneuvers easy. Her sleek lines, low freeboard and flat, angular coachhouse will turn the heads of any enthusiast for elegant yacht design. More information about this daysailer in general can be found here on our website: Saffier SE 27 Leisure. Very young and practically new Saffier SE 27 Leisure with performance lead keel (draught: approx. 1,65 m, ballast: approx. 750 kg). White hull and deck with black stripes, canvases and steering wheel. ESTHEC deck (color "Bisquit" with black stripes). Interior with hull windows, marine toilet below forward berth and electric coolbox below companionway. Complete specification incl. carbon fibre mast, electric HARKEN rewind winches etc. BROOKS & GATEHOUSE instruments incl. chart plotter, autopilot and Nemesis 9" instrument display on mast. Exclusive sail wardrobe by ELVSTRÖM: Main and self-tacking jib ...
