## Description

Absolutely stunning Daysailer in classic design built by the French yard Latitude 46 Classic Yachts Construction on the Ile de Ré. As traditional as the Tofinou 8.0 m may seem at first glance, as modern are hullshape, appendices and rig. Deep, effective T-shaped keel, a fine forward hull section, the flat bottom aft and a tall rig with high aspect selftacking jib and generous mainsail area provide ample performance and fun. The deck layout of the Tofinou 8.0 m daysailer is designed for single-handed sailing. The selftacking jib and the arrangement of all halyards, sheets and trim controls on the two winch pedestals right in front of the tiller allow manage all maneuvers from the steering position. This Tofinou 8.0 m was offered by her first owner and comes fully equipped. Version with T-shaped fixed keel (draft: approx. 1,70 m).
