Description

Varianta 18 (VA18) by Dehler Yachts built in 2011. Design and concept of the Varianta 18 come from the drawing board of the renowned design office judel/vrolijk & co. The day cruiser is well conceived as an uncomplicated boat for beginners. The aftswept spreaders allow an uncomplicated rig without backstay, which makes sailing even more simple. The Varianta 18 can easily be transported on a road trailer and the mast can be stepped by two people. All in all, the Varianta 18 is a great way to start sailing and to cruise quickly and safely. This boat (hull-no. #179) is in good shape and has hardly been used. The Varianta 18 was fully equipped by FSA in 2012, including gennaker kit and gennaker by NORTH-Sails, covers and other upgrades.
