- Owner's version with spacious heads.
- Outstanding performance.
- Electric winches.
- Long inventory of parts and spares.
- Opening swim platform.
- Shallow draft version.
- Exclusive deck gear.

Description

Fast, seaworthy and elegant performance cruiser built by the French quality yard Wauquiez International. When building the Centurion 40s and Centurion 45s models, the shipyard combined modern manufacturing methods with traditional boatbuilding and high-quality components. The hull is vacuum-infused, the interior finished in solid Burmese teak, hand-polished with beeswax, and the deck fitted with high-quality, generously dimensioned deck gear (ANDERSEN stainless steel winches, rails and blocks from HARKEN). Luxurious 2 cabin layout with a bright, friendly saloon, comfortable, cosy owner's cabin forward and large heads compartment with separate shower to port aft. Well-maintained, fully equipped owner's yacht in shallow draft version (L-shaped lead keel with a draft of approx. 1.85 m). Especially the interior is in excellent condition. Extensive specification incl. complete RAYMARINE navigation electronics with two plotters and radar, electric ANDERSEN winches, NORTH-Sails 3DL Marathon sail wardrobe, diesel heating, Alcantara upholstery etc. The extensive inventory of spare parts, safety equipment, dinghy with outboard engine, pots and pans etc. is to be sold. The Centurion 40s is moored in Olbia/Sardinia and can be inspected at any time upon appointment.

Rig/Sails

- Keel stepped, 9/10 fractional SPARCRAFT aluminium mast
- Two sets of aft-swept spreaders
- Split backstay with hydraulic NAVTEC backstay tensioner
