| <b>Holding tank</b> | 60 L                             |

## Key Facts

- Numerous investments since 2020.
- Very good upwind performance.
- Slim hull (max beam: 3,58 m).
- Long overhangs.
- Stiff yacht (Ballast: approx. 3.500 kg).
- Traditional teak interior.
- Sleek, classic hull lines.
- Well-kept condition.

## Description

Solid, elegant GRP classic built by Gesten Glasfiber AS. With their characteristic, pointed and long overhanging bow, Granda sailing yachts were popular models in the eighties. The Granda 38 is distinguished by her solid construction and excellent upwind performance. The design by the Spanish architect Javier Visiers has beautiful, classic lines with a slim hull, pronounced IOR belly, long overhangs and a pretty transom. Very low coachhouse profile and free flush deck forward of the mast. Traditional Scandinavian interior in teak with lots of solid wood in frames and mouldings. Since the current owner took over, a lot of money has been invested in additional equipment and replacements. Furling genoa, genoa winches, kicker, headsail furling system and sprayhood are new, as are the batteries, the battery charger and standing rigging. In addition, a lot of technology has been renewed, such as the gas system, through-hulls, mast electrics, etc. The Granada 38 is lying on the Kiel Fjord and can be viewed at any time by appointment.

## Rig/Sails

- Keel stepped, 9/10-fractional SPARCRAFT aluminium mast
- Two sets of spreaders
- Standing rigging new 2021
- Babystay
- Manual backstay tensioner
- Halyard winch HARKEN HB15STA on mast (new 2021)
