## Description

Easy to handle, seaworthy cruiser built by the legendary quality shipyard Hallberg-Rassy Varvs AB on the boatbuilders island of Orust in the Western Swedish archipelago. Beautiful, traditional interior in mahogany. For a yacht in her size the Hallberg-Rassy 31 is surprisingly seaworthy and offers ample comfort and living space below decks. Very solid structure and very stiff yacht thanks to a ballast ratio of approx. 45 %. All halyards, sheets and control lines are led back to the cockpit so the yacht can be easily be sailed single handed.
