- Engine upgrade YANMAR 45 hp.
- Modern hull shape.
- Private yacht, never chartered.
- Layout: 3 cabins, 2 heads.
- Diagonal owner's berth.
- Furling mast.

Description

Spacious cruiser built by the French yard Chantiers Jeanneau. The Sun Odyssey 410 offers maximum living space and comfort for up to six passengers in an easy to handle size. Modern hull design with high performance potential by Class 40-specialist Marc Lombard with wide stern, hard chines, negative bow stem to extend waterline length and voluminous forward section with vertical topsides. A special feature of this Jeanneau model series is the "walkaround cockpit": The running decks can be reached from the cockpit without steps. The deep L-shaped keel and wide waterline in the aft section make for plenty of righting moment and, together with the twin rudder system provide ample control and safe, well-natured sailing characteristics. Lots of air and light below decks through numerous large hull windows, coachhouse windows, deck hatches, portholes, panoramic windows and the Plexiglas companionway bulkheads. This Jeanneau Sun Odyssey 410 is a young owner's yacht (first launch: 2021) that has never been chartered but only did private cruising in the Baltic Sea. Continuous care and technical maintenance by specialised service companies. 3 cabin layout with two heads and diagonal owner's berth in forward cabin. Extensive equipment list including furling mast, retractable QUICK bow thruster, diesel heating, upgraded YANMAR engine, larger service battery bank, stainless steel anchor gear and RAYMARINE electronics package. Spacious cockpit with two helm stations, large cockpit table and ...
