Description

Linssen Yachts - the epitome of steel displacement yachts. Since 1949, the shipyard in Maasbracht in the Netherlands has been building high-quality, stable displacement yachts and has become market leader in this segment. The Grand Sturdy model range is marked by its distinctive, characteristic line, generous living space both above and below decks as well as excellent handling and comfortable riding. The Linssen Grand

Sturdy 410 AC Variotop also offers a large, luxurious owner's cabin aft and a veritable wheel house below the insulated, electric folding convertible Variotop. This wheelhouse is closed off by folding doors towards the cockpit, has its own heating radiators and offers an undisturbed 360° view from the large, well organized helm station. 3 cabin layout with two heads compartments, two separate shower rooms and a bright, spacious saloon. This Grand Sturdy 410 AC Variotop is a practically new, well-maintained and fully equipped owner's yacht. Delivery in July 2016. Comprehensive specification with twin engines (2 x VOLVO PENTA D2-75), electric folding arch, interior in American cherry, hull in dark grey, bow and stern thrusters, etc. This yacht has the new stern design with two comfortable stairways from aftdeck to the integrated swim platform.

The experienced owner has had numerous, individual modifications and additions implemented, so the yacht is a very well engineered and cleverly equipped example.
