- Main and genoa new in 2018.
- Bow thruster and stern thruster.
- Removable cutter stay.
- Furling mast new in 2016.
- Teakdeck all over.

Description

Modern, fast and very seaworthy bluewater cruiser made by the quality yard NAJAD on the traditional boatbuilder's island of Orust. The NAJAD 440 ac (NAJAD 440 Aft Cockpit) was the first big aft cockpit yacht by the Swedish yard. The spacious cockpit with two steering wheels creates plenty of living space and offers a free passage to the swim platform. The NAJAD 440ac has everything you need for long distance sailing: Excellent performance thanks to Judel/Vrolijk [&] Co.-design, a stiff, rigid structure and a lot of living space and comfort both above and below decks. The NAJAD 440 marked the beginning of the cooperation between Najadvarvet and the British designer Rhoades/Young Interiors, who designed a modern, bright and timeless interior in mahogany with vinyl-covered panels. Well-maintained, fully-equipped and little used owner's yacht (launched in May 2010). 3 cabin layout with owner's cabin forward and two heads compartments. Complete stainless steel edition with windscreen, rubbing strake, mooring and spring cleats, bow guard rail etc. in stainless steel. Numerous retrofits and exchanges of components and parts such as furling mast (new 2016), sprayhood and extension (new 2019), sails (new 2017), Exturn stern thruster (new 2012) etc. Indoor winter storage every year and continuous technical maintenance and care.

Rigging/Sails

- Keel stepped, 9/10 fractional SELDEN furling mast (new 2016)
- Three sets of aft-swept spreaders
- FURLEX 300s genoa furler
