- NAJAD 460 in 2 cabin layout.
- Electric genoa winches.
- Diesel generator.
- Longitudinal galley to port.
- Removable cutter stay.
- Blue decoration.
- Bowthruster.

Description

Modern, fast and very seaworthy bluewater-cruiser built by the quality yard Najadvarvet on the island of Orust in the western Swedish archipelago. The NAJAD 460 offers everything you need for long distance sailing: Excellent performance thanks to judel/vrolijk & co.-design, a safe and well protected centercockpit with fixed windscreen, a solid, rigid structure and a lot of living space and comfort below decks. The NAJAD 460 still has the traditional underwater hull with deep bilge, skeg forward of the rudder blade and shaft drive. Solid, beautiful and very well finished mahogany interior in the best Scandinavian boatbuilder's tradition. This NAJAD 460 is offered by her first owner and has had continuous professional maintenance and technical service. Fully equipped with furling mast, removable cutter stay, electric genoa winches, bow thruster, diesel generator and extensive RAYMARINE navigation. 2 cabin layout with spacious owner's cabin aft over the entire beam of the yacht, large forward guest cabin, longitudinal galley in the passage to the aft cabin to port side and two heads compartments. Special feature of this NAJAD 460: The yacht has dark blue stripes, which is rather unusual for a NAJAD.

Rig/Sails

- Keel-stepped, 9/10-fractional SELDEN furling mast (can be operated from the cockpit)
- Three sets of aft-swept spreaders (open V-spreaders)
- Standing rigging new in 2022
