- Decksaloon with raised saloon floor.
- Diesel heating and air conditioning.
- Numerous investments since 2013.
- 4 cabin layout with 8 berths.
- Diesel generator 7 KW (new 2014).
- New RAYMARINE navigation in 2014.

Description

Very sturdy, seaworthy and luxurious decksaloon cruiser by the Finnish quality yard Siltala Yachts Oy. The Nauticat 515 has a "real" decksaloon with raised saloon floor and offers an unobstructed view to the horizon from the seating area. An extremely solid construction, the generous tank capacities and her superior performance in rough conditions make the Nauticat 515 the ultimate blue water sailing yacht. Well finished, semi-gloss varnished teak interior in best Scandinavian boat building tradition with lots of solid wood in frames, strips and numerous cold molded parts. The extensive specification incl. diesel generator, air conditioning, hydraulic furling rig, etc. determines this yacht for long journeys and extended stays on board. 4 cabin layout with spacious, luxurious owner's cabin aft across the entire beam of the ship and VIP-guest cabin forward. Two lateral cabins with double bunk beds. This Nauticat 515 had an extensive refit in 2013 (the bottom paint was removed and fully rebuilt and the teak deck completely renovated). After the acquisition by the current owner in 2014, considerable investments were made in yacht technology.

Rig/Sails

- Keel stepped, top rigged, hydraulic SELDEN furling mast (new standing rigging in 2020 and new hydraulic pumps and hoses in 2020)
