Rig	Sloop
Cabins	3
Berths	8

Dimensions & Material

LOA	18.38 m
LWL	16.28 m
Beam	5.18 m
Draft	2.95 m
Displacement	27 t
Sail area	176 m ²
Engine	VOLVO PENTA D4-180
Power	180 PS/132 KW
Drive	Welle mit GORI Faltpropeller
Fresh water	1.000 L
Fuel	1.000 L
Holding tank	240 L

Key Facts

- Bordeaux 60 with carbon V-boom.
- Diesel generator 11 KW.
- Four electric winches.
- Air conditioning.
- High-Tech NORTH-Sails sail inventory.
- Electric headsail furler.
- Interior in white washed oak.
- Grey hull.

Description

The Bordeaux 60 was the first semi custom-project of the French one off-specialist CNB (Construction Navale Bordeaux). Her modern lines, the clever interior layout and the concept to use CNB superyacht-expertise to build a 60' production boat made the Bordeaux 60 a great success.

With more than 45 units delivered she is the most successful 60 foot salingyacht ever built. Her sleek and elegant lines with slightly raised decksaloon make her a spectacular appearance at sea or in harbour. The spacious, luxurious custom interior in white washed oak offers all the volume and comfort you need for long passages and extended stays on board Very young, luxuriously equipped, firsthand owner's yacht. Thanks to ergonomic cockpit layout and four electric winches the yacht can practically be sailed one-handed. Hull in light grey gelcoat. 3 cabin layout with three heads, master cabin forward and 2 additional crew berths in forepeak. Interior in light, white-washed oak.

Rigg/Sails

- Keel stepped, 9/10 fractional aluminum mast
- Three sets of aft swept spreaders
- Rig painted black
- Carbon V-boom by HALL-Spars
- Electric genoa furler
- Fixed cutter stay with furler and self tacking track on deck
