## Description

The Tofinou 8.0 is an absolutely stunning daysailer in classic design built by the french yard Latitude 46 Classic Yachts Construction on the Ile de Ré. As traditional as the Tofinou 8.0 m may seem at first glance, as modern is the hullshape, the appendices and the rig. Deep, effective t-shaped keel, a fine forward hull section, the flat bottom aft, a tall rig with high aspect selftacking jib and a generous mainsail area provide ample performance and fun on the water. The decklayout is designed for single-handed sailing. The selftacking jib and the arrangement of all halyards, sheets and trim lines on the two winch pedestals right in front of the tiller allow to manage all maneuvers from the steering position. First hand fully equipped and very wellkept owner's yacht. This Tofinou 8.0 m is a fixed keel version with T-shaped composit keel (draft: approx. 1,70 m). Exclusive 3DL sail wardrobe by NORTH-Sails including gennaker, code-0 and spinnaker. New rig including standing and running rigging in 2016 and new teakdeck in 2015. The daysailer is offered for personal reasons and is available for immediate delivery.
